- Operating System: Windows 2003 Server Standard
- Database: Microsoft SQL Server 2005 Standard
- Labels: Bartender Server 7.75
- Support: Redgate SQL Bundle

Connectivity Application

- Foxfire Access: RDP (Remote Desktop Protocol)
-

Client Workstation

Hardware

- Processor: Intel Pentium 2.0 GHz (or equivalent)
- Memory: 512 MB
- Hard Drive: 100 GB
- Network Card: 1GB Ethernet NIC

Software

- Operating System: Windows XP (SP2)
 - Database: SQL Server 2005 Client (SP1)
 - Labels: Bartender 7.75 Client
-

Foxfire WMS Hardware / Software Recommendations

Peripherals

Wireless RF Infrastructure

- Access Point: 802.11b

Sample Models

- Cisco 1231 (or equivalent)
- Symbol CB3000 (or equivalent)

Handheld RF Devices

- Mobile Handheld Units
 - Operating System: Windows Mobile
 - Memory: 64Mb
 - Wireless radio
 - Integrated barcode scanner

Sample Models

- Intermec CK31 (or equivalent)
- Symbol MC9090 (or equivalent)

Printers

- Reports: High speed laser jet printer
- Labels: High Capacity Label Printer

Sample Models

- Intermec 4420E (or equivalent)
- Zebra 140XiIII (or equivalent)
